Scholarship Information:

Thanks to Great Lakes Geoscience, we are offering financial support for travel reimbursement on a first come, first served basis. Great Lakes Geoscience is located in Belding, Michigan and offers classroom presentations and teacher support and materials for Earth science curriculum. If you are traveling to the conference from less than 200 miles away (round trip), you are eligible to receive a \$50 gas card. If you are traveling from more than 200 miles, you are eligible to receive a \$100 gas card. If you are carpooling with other teachers for the conference, please request only one scholarship for your group.

If you are interested in receiving a scholarship, please let us know.

- Yes! I qualify for a \$50 gas card. Please send it to the address above.
- Yes! I qualify for a \$100 gas card. Please send it to the address above.
